DISCLAIMER:

The certification of a company as a Disadvantaged Business Enterprise by the Georgia Department of Transportation is not, nor shall it be construed as, a warranty, certification, implication or assurance by the Department that the Disadvantaged Business Enterprise is qualified, either as to the type of work or quantity to undertake the work for which he or she has represented themselves as being competent in performing. The certification of a company as a Disadvantaged Business Enterprise shall not relieve the prime contractor of its responsibility to determine that its subcontractors are in fact qualified to perform the work for which they are engaged nor relieve the prime contractor of any rights, liabilities, duties or obligations under its contract with the Department.
